Boston, Aug. 16.—The butter market has declined, receipts having been heavy and the demand slack. North creamery, 22¢23¢; western, 21¢4¢23¢; dairy, 18¢20¢.

Cheese is in light demand, the market turning easier. York state, 11¢11 3/4¢; Vermont twins, 10 3/4¢11 1/4¢.

Taken as a whole the week has not been a very brisk one in the local fruit and vegetable market. The market is abundantly supplied with all kinds of farm products and prices are reasonable. Fruits, on the other hand, are not very plenty and prices are pretty stiff.

There is a good market for choice apples, but common offerings move rather slowly. Peaches are very scarce and the offerings of pears are not very large. The season for raspberries is over and for gooseberries is nearly at an end.
